Children's Elections 2023

Save the Children

On the 14th of October, the adults of Aotearoa will be casting their votes for who will lead the next government of New Zealand.

But your voice matters too!

We asked the leaders of the Parties of Aotearoa all about themselves, and what they want to do for children!

If you are under 18, have a read, and decide who YOU want to lead our country!

We will feed your thoughts back to New Zealand voters and our politicians so that your voice is heard too!
